

Holy Family Parish, Religious Education Faith Formation Program 2010-11 Schedule K-10

The celebration of Mass is an integral part of our program. Mass should never be compromised by holidays or vacations. **All students registered must attend Mass to the best of their ability by the example of their parents. We will have monthly Grade Level Masses, (GLM) to impress upon the students that liturgy is the work of the people and that they are vital comments now and for the future!*

**In an effort to continue and support the faith formation and spiritual journey of the entire parish, our program will continue to offer our Whole Parish Faith Formation gatherings (WPF). These events take the place of our traditional classes and welcome the entire parish community for a catechetical lesson. Students and their families are asked to host these events, and all registered students are expected to attend with parents or an adult sponsor. This year our theme focuses on our Creed and will take place on the following days:*
